

TRIANGLE COALITION MEMBERS & PARTNERS

The Triangle Coalition brings together the voices of government, business, and education to improve the quality and outcome of science, mathematics, and technology education. Member and partner organizations are committed to improving science and technology education for all students.

Business/Industry

3M
ADC Foundation
Carus Corporation
E.I. DuPont de Nemours and Company
Emergent Design and Development, Inc.
Ferrio Associates
Ford Motor Company Fund
intelitek, Inc.
Medtronic Foundation
Merck Institute for Science Education
Pearson Education
School Specialty Science
Target Marketing and Communications
Texas Instruments Incorporated
Verizon Communications
Vernier Software & Technology

Science/Math/Engineering

Acoustical Society of America
American Chemical Society
American Geological Institute
American Institute of Physics
American Nuclear Society
American Society for Biochemistry and Molecular Biology
American Water Works Association
Entomological Foundation
Fermi National Accelerator Laboratory
IEEE (Institute of Electrical and Electronics Engineers)
Mathematical Association of America
National Energy Foundation
National Renewable Energy Laboratory
Sloan Career Cornerstone Center
Waksman Foundation for Microbiology

Government Agencies

NASA
National Oceanic and Atmospheric Administration
National Science Foundation
U.S. Department of Energy

National Education Organizations

American Mathematics Association of Two-Year Colleges
American Society for Engineering Education
Association for Science Teacher Education
Association of State Supervisors of Mathematics
BEST Robotics, Inc.
Christa Corrigan McAuliffe Center
Concord Consortium
Council of Chief State School Officers
Council of Presidential Awardees in Mathematics
Council of State Science Supervisors
DOME Foundation, Inc.
General Atomics Sciences Education Foundation
International Technology Education Association
International Technology Education Association/Council for Supervisors
Inventive Education, Inc.
Junior Engineering Technical Society, Inc.
Kenan Fellows Program, Kenan Institute for Engineering, Technology & Science
Louis Stokes Institute for Opportunity in STEM Education
National Association of Biology Teachers
National Association of Geoscience Teachers
National Center for Technological Literacy
National Council of Supervisors of Mathematics
National Council of Teachers of Mathematics
National Earth Science Teachers Association
National Middle Level Science Teachers Association
National Science & Technology Education Partnership
National Science Education Leadership Association
National Science Teachers Association
Research Council on Mathematics Learning
School Science and Mathematics Association
Science Olympiad
State Supervisors of Technology Education
Teachers Clearinghouse for Science & Society Education, Inc.
Technology Student Association
TERC, Inc.

State/Regional Education Alliances

Arizona

- Math/Science Regional Center, Embry-Riddle Aeronautical University

Arkansas

- Arkansas Center for Mathematics and Science Education, University of Central Arkansas
- Arkansas Department of Higher Education
- Arkansas River Education Service Cooperative
- Center for Mathematics and Science Education, University of Arkansas
- El Dorado Public School System – El Dorado Education Foundation
- Math & Science Institute, Arkansas Tech University
- South Arkansas Mathematics & Science Center, Henderson State University

Colorado

- Colorado School of Mines

Delaware

- Delaware Foundation for Science & Mathematics Education

Florida

- Coalition for Science Literacy/ACEE at University of South Florida

Georgia

- Center for Advanced Studies in Science, Math and Technology
- Center for Education Integrating Science, Mathematics, and Computing, Georgia Institute of Technology
- Science Education Network for the Southeast, Georgia Southern University Museum
- STARBASE ROBINS, Museum of Aviation

Idaho

- Idaho Science, Mathematics, and Technology Coalition

Illinois

- Illinois Mathematics and Science Academy

Indiana

- I-STEM Resource Network
- Science Education Foundation of Indiana, Inc.

Massachusetts

- MITS, Inc.
- Technology Education Association of Massachusetts, Inc.

Minnesota

- SciMathMN

Missouri

- Academy of Science of St. Louis

Nevada

- Nevada Math Council
- University of Nevada Las Vegas Center for Mathematics and Science Education

New Jersey

- New Jersey Statewide Systemic Initiative (NJ SSI) at Rutgers University
- Rider University Science Education and Literacy Center (SELECT)

New Mexico

- New Mexico Partnership for Mathematics and Science Education

New York

- Institute for the Development of Education in the Advanced Sciences (IDEAS), Hofstra University
- MSTP Project: Mathematics Across the Middle School STEM Curriculum, Hofstra University
- New York State Technology Education Association
- Science Council of New York City

Ohio

- Center for Chemistry Education, Miami University Middletown
- Ohio Academy of Science
- Ohio Council of Teachers of Mathematics

Oklahoma

- The Coalition for the Advancement of Science and Mathematics Education in Oklahoma (CASMEO)

Pennsylvania

- Lower Merion School District
- Pittsburgh Regional Center for Science Teachers, University of Pittsburgh

South Carolina

- South Carolina Coalition for Mathematics and Science

Texas

- The Hockaday School

Virginia

- Mathematics and Science Center
- The Virginia Mathematics and Science Coalition

Wisconsin

- Wisconsin Science Network
